REMARKS

In this Office Action, the Examiner rejected Claims 1 – 20 under 35 U.S.C. §103(a) as being unpatentable over Bak et al. in view of Gosalia et al.

The Gosalia et al. reference was filed on 01/22/2004 while the present invention was filed on 10/09/2003, more than three (3) months prior to Gosalia et al. Consequently, Gosalia et al. is not a 35 U.S.C. §102 reference to the present invention. And, since the Gosalia et al. reference is used in the rejection of all the pending claims in the Application, Applicants submit that the claims are patentable over the applied references. Hence, reconsideration, allowance and passage to issue are respectfully requested.

Respectfully Submitted
